"In the journey of education, excellence is not an option; it is a commitment to shaping young minds, nurturing and honing hidden talents, and fostering an undiminished love for lifelong learning." ~ Prof. J Philip

Message from the Chairman

Prof. J. Philip

Principal Founder, XIME & Former Director, IIM Bangalore

Dear Parents, and Pupils,

As Chairman of our esteemed institution I extend to you a warm welcome to the institution. As we embark on a new beginning, I am delighted to share with you the foundational principle that guides our educational journey – "Excellence."

At XIME International School, we are committed to fostering a culture of excellence in every facet of education. Our credo, "Excellence," serves as a beacon, illuminating the path to academic, personal, and character development for our pupils.

In our pursuit of excellence, we strive to provide a nurturing and innovative learning environment. Our dedicated faculty members are passionate about inspiring a love for learning, encouraging critical thinking, and instilling values that will guide our students towards success in all their endeavors.

We believe that excellence goes beyond academic achievements; it encompasses the development of well-rounded individuals who are not only academically proficient but also socially responsible and emotionally resilient. Our holistic approach to education ensures that students are equipped with the skills, knowledge, and character traits necessary to thrive in an ever-evolving world.

I invite you to join us on this exciting journey as we continue to uphold the values of excellence that define XIS. Thank you for entrusting us with the education and growth of your child. Together, let's make the oncoming academic year a testament to the spirit of excellence that defines our school.

Wishing you all a year filled with joy, growth, and unparalleled success.

Prof. J Philip

Chairman, XIS & XIME

"Excellence is the result of caring more than others think is wise, risking more than others think is safe, dreaming more than others think is practical, and expecting more than others think is possible." ~ Ronnie Oldham

XIME International School – Founding Story

After establishing Xavier Institute of Management and Entrepreneurship (XIME) as a leading Business School and setting up three campuses across South India in Bengaluru, Kochi, and Chennai, the Principal founder of XIME, Prof. J Philip, wanted to contribute to his home state of Kerala in the space of foundational education.

In doing so, in January 2023, the right collaboration was forged between the Archdiocese of Changanacherry, under the leadership of Archbishop Mar Joseph Perumthottam, and XIME, under the leadership of Prof. Philip.

On April 24, 2023, just three months after this collaborative agreement, the foundation stone of XIME International School at Pallikunnu, Ettumanoor, was laid. Mar Joseph Perumthottam, Archbishop of Changanacherry, presided over the ceremony, marking the start of a new era in education.

On April 9, 2024, Mar George Alencherry, Cardinal of the Syro-Malabar Church, presided over the inauguration of the XIME International School building. This day coincided with the 60th birthday of the late Ms Maria Philip Kappil, whose cherished dream of her father's (Prof. J Philip) contribution to management education found a new shape in the birth of XIME International School. Mar Raphael Thattil, the Major Archbishop of the Syro-Malabar Church, led the high mass before the inauguration ceremony.

XIME International School is set to start its first academic year on 3rd June 2024.

XIME International School

XIME International School (XIS) is located in a serene environment on the banks of the Meenachil River at Pallikunnu, Ettumanoor.

XIME International School (XIS) is an educational institution that embraces the transformative power of education beyond textbooks. With a dynamic curriculum tailored to ignite critical thinking, unleash creativity, and cultivate global awareness, XIS empowers students with indispensable skills to thrive in the vibrant 21st century. The school's holistic approach goes beyond academic excellence, emphasizing character development, creativity, and adaptability. Through a blend of traditional and innovative teaching methods, XIS inspires a love for learning that extends beyond the classroom.

Admissions are open for Pre-KG (Nursery) to Grade 4.

Pre-KG (Nursery)

Pre-kindergarten education is a pivotal stage in a child's development, providing a foundation for lifelong learning and success. It's a period where young minds are highly receptive, and the experiences they gain can significantly influence their future academic and social skills. At XIS, high-quality, activity-oriented Pre-KG programme

offers children a nurturing environment that fosters early self-help skills, setting them up for a smooth transition into Kindergarten.

Kindergarten

Kindergarten serves as a critical bridge to formal schooling. At XIS, children are introduced to the basics of education in a playful and engaging manner. They will also learn vital social skills such

as cooperation, sharing, and empathy, essential for future interactions inside and outside the classroom. Moreover, XIS provides a safe space for children to explore their interests, express their creativity, and build confidence in their abilities.

"People of excellence go the extra mile to do what's right." ~ Joel Osteen

XIME International School

Primary School

XIS offers admission up to Grade 4. Grades 1 and 2 are considered foundational learning, and Grades 3 and 4 are transitional phase that marks the beginning of deeper learning of core subjects.

The School builds on the basic education provided earlier, which forms the bedrock for future academic pursuits. Additionally, attention is given to holistic growth in areas like physical education and nurturing creativity. Moreover, social interactions will ensure collaboration and navigate group dynamics. During these formative years, character-building values like honesty, kindness, and empathy are instilled in the students.

Second & Third Language: Students will learn Malayalam as their second language from KG-1. The third language will be taught from Class 1. From Class 6, there are plans to offer foreign languages. The school will follow government guidelines regarding languages to be offered.

Higher Learning Outcomes with Kreedo

XIS is thrilled to partner with Kreedo, a renowned educational platform that enriches early childhood education. Kreedo is India's most prominent early education solution provider, with over 2,500 partner schools as part of its customer base. Through its play-based learning solution, Kreedo has impacted more than 5 lakh children so far.

This collaboration equips our students with a research-based curriculum, fostering holistic development across cognitive, social, emotional, and physical domains. With engaging learning materials and professional development opportunities for educators, XIS ensures an enriching educational experience.

"The secret of joy in work is contained in one word – excellence. To know how to do something well is to enjoy it." ~ Pearl S. Buck

Infrastructure

Nature Inspired

XIS is proud to have its campus on the banks of the Meenachil River, Pallikunnu, Ettumanoor, Kerala. It helps to draw inspiration from nature and understand the value of protecting and giving back to the environment. These values will be instilled in our students.

Smart Classrooms

Classrooms at XIS have been equipped with smart boards to enhance digital learning and keep up with today's technology.

Computer Lab

The computer lab at XIS uses all-in-one workstations with large screens. Computer lab enhances learning experiences and prepares students for the technology-driven world by providing unrestricted access.

Robotic Lab

XIS proudly features IRIS, a human-looking robot that enhances students' exposure to advanced technology and enables interactive learning. Students will have the opportunity to engage in lively and meaningful discussions with IRIS. The school plans to introduce more equipment and tools to enrich the AI learning experience further.

Science Lab

The school building already has space marked for a Science Lab that will be built in the future. The Science Lab will provide an experimental foundation for the concepts introduced. It will enable the students to familiarize themselves with experimental devices and applied scientific methods, make careful observations, and draw conclusions about various experiments.

"Excellence is the unlimited ability to improve the quality of what you have to offer."
~ Rick Pitino

Infrastructure

Library

The well stocked Library serves as a vital component for instilling the importance of reading among students, fostering a culture of literacy, and encouraging students to explore the world through books.

Dining

Students have access to a dining facility during their prescribed break time. As the school grows, we plan to expand our dining facilities into a cafeteria, enhancing the dining experience.

Sports and Recreation

There is a dedicated play area for the younger children and a state-of-the-art multi-sport turf as part of holistic development. There are ample facilities to support both indoor and outdoor sporting events

Artistic Expression

XIS plans to introduce a vibrant creative arts programme, aiming to nurture expression and to develop skill through contemporary arts, crafts, music, dance, and drama initiatives. These programmes are designed to enrich students beyond their academic journey, promising a well-rounded experience.

"Excellence is the gradual result of always striving to do better." ~ Pat Riley

XIME - The Founding Institution of XIS

Xavier Institute of Management & Entrepreneurship (XIME) was established in 1991 by a group of eminent academicians and religious leaders under the leadership of Prof. J. Philip, former Director of IIM-Bangalore.
